

# JCC 12TH ANNUAL SCHOOL SUPPLIES DRIVE!

One of the most important and appreciated things Journey does is donating supplies to teachers at our four Partner Schools. This makes sense when we realize that **91% of our teachers use their own money to purchase school supplies for their students!**

Please help support Journey's School Supplies Drive by purchasing any of the items listed below and depositing them in a collection bin (Worship Center lobby, Church Office or Thrift Store.) **Donations accepted through July 31.**
